# Gople Semi Flush Ceiling Light

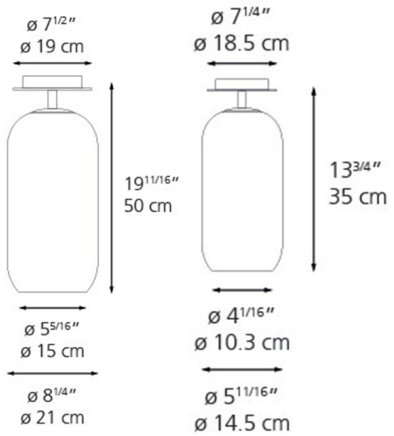

By Artemide

## Description

Designed by the innovative Bjarke Ingels Group (BIG), the Gople Semi Flush Ceiling Light is an exquisite fusion of ancient craftsmanship and contemporary aesthetic. This ceiling fixture brings the timeless beauty of hand-blown glass into a modern, elevated form, creating a unique focal point in any room.At its heart is a distinct pill-shaped, hand-blown glass diffuser, crafted meticulously according to ancient Venetian techniques in Murano. The inherent artistry of this glass ensures that each piece possesses its own subtle, unique character. The elegant shape of the glass is expertly designed to diffuse a soft, uniform glow throughout your space, fostering a comfortable and serene ambiance. Available in a variety of finish and shade options and in two sizes, each configuration of the Gople Semi Flush Ceiling Light adds a stylish and sophisticated touch, seamlessly integrating into Contemporary, Traditional/Classic, and Transitional interiors.
