T597 Rigid Ceiling Cable Suspension Kit By Juno Lighting

Description

The T597 Cable Suspension Kit offers an almost invisible solution for suspending trac and is ideal for applications that demand that trac lighting be mounted closer to the objects being illuminated. Mechanically only cable suspension kit universally compatible with Juno 1-circuit or 2-circuit trac systems. Attaches directly to junction box in rigid ceilings. Available in Black or White finish in a 48 or 144 inch adjustable cable length. Includes mini-canopy, toggle bolt and cable hardware. Trac requires support every 4 feet.
