T598 Rigid Ceiling Cable Suspension and Feed Kit

By Juno Lighting

Description

The T597 Cable Suspension Kit and Feed Kit offers an almost invisible solution for suspending trac and feeding one-circuit track, and is ideal for applications that demand that trac lighting be mounted closer to the objects being illuminated. Universally compatible with Juno Trac-Master and Trac-Lites trac systems. Attaches directly to junction box in rigid ceilings. Available in Black or White finish in a 48 or 144 inch electrical feed adjustable cable length. Includes canopy, j-box mounting strap, cable hardware and flexible electrical feed cable. Trac feed connector not included (sold separately). Trac requires support every 4 feet.
