Cadet Wall Sconce

By Troy Lighting

Description

The Cadet Wall Sconce's subtle profile and natural materials are ideal for contemporary living spaces. Elements of metal combine with raw Acacia Wood to give the Cadet an industrial edge. Emerging from the backplate is a White Glass globe that beautifully diffuses the light and adds visual weight to the Cadet. Place this sconce in the bedroom, dining room, or anyplace in need of layered lighting. UL and ETL listed.

Shown in dark wood / white
