## James Bay Outdoor Flush Ceiling Light

By Troy Lighting

### Description

The James Bay Outdoor Flush Ceiling Light's design is based off a traditional coach house lantern, but with a modern edge. A Clear Ribbed Glass shade protects James Bay's socket while gently softening the light. Details finished in Bronze adorn the rest of the design and provide a traditional aesthetic. Place the James Bay on the front porch, back deck, or anyplace outdoors that is in need of layered lighting. Damp location rated. UL and ETL listed.
