Candace Flush Ceiling Light

By Troy Lighting

Description

The Candace Flush Ceiling Light's design revolves around the use of glass. On the outside, a large Clear Glass shade gives the Candace shape, while on the inside an Opal Glass diffuser softens the glow of the bulb and provides added depth to the fixture. Place the Candace in the bathroom, bedroom, or anyplace in need of sophisticated lighting. Available in two sizes. Damp location rated. UL and ETL listed.

Shown in graphite / clear
