Cadet Flush Ceiling Light

By Troy Lighting

Description

The Cadet Flush Ceiling Light's subtle profile and natural materials are ideal for contemporary living spaces. Elements of metal combine with raw Acacia Wood to give the Cadet an industrial edge. At the bottom of the fixture is a White Glass globe that beautifully diffuses the light and adds visual weight to the Cadet. Place this flush mount in the bedroom, dining room, or anyplace in need of layered lighting. UL and ETL listed.

Shown in white
