## McCarthy Outdoor Post Mount By Troy Lighting

## Description

The McCarthy Outdoor Post Mount takes a modern spin on a traditional coach light. A seeded glass inlay protects the McCarthy's socket, making this an ideal solution for harsh outdoor conditions. Finished in Weathered Graphite, the McCarthy finds its home flanking a driveway, near an entry point, or anyplace outdoors where lighting is needed. Troy post lights are compatible with two types of base; order either a pier mount fitter or post depending on the application, required and sold separately.

Shown in clear seeded
