Mariden Post Mount

By Troy Lighting

Description

The Mariden Post Mount's traditional design supplies a classic solution for outdoor lighting. Panes of Seeded Glass protect the inner workings of the Mariden, while the Textured Black frame reflects the aesthetic of a coach lantern. Place the Mariden at the end of the driveway, near a walkway, or anyplace outdoors in need of lighting. Troy post lights are compatible with two types of base; order either a pier mount fitter or post depending on the application, required and sold separately.
