Droid Wall Sconce

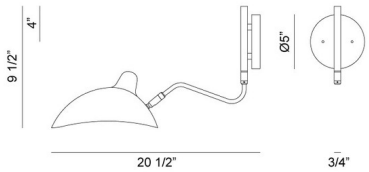

By Matteo Lighting

Description

The Droid Wall Sconce's creative edge has a youthful and energetic design. Slight curves, on both the shade and down-stem, are detailed throughout the piece. The shade can rotate, allowing the user to direct the light in the direction they prefer. Place the Droid above a bedside table, in the hallway, or anyplace where task lighting is needed. Finished in either White or Bronze. UL and ETL listed.

Shown in bronze
