Particles Wall Sconce

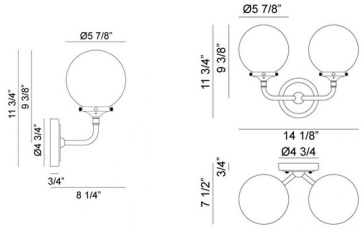

By Matteo Lighting

Description

The Particles Wall Sconce gets its inspiration from the world of science and the matter all around us. From the backplate rises a curved arm and on top of that arm is an Opal or Clear Glass shade, reminiscent of a scientific particle. Finished in either Aged Gold Brass or Chrome, the Particles is sure to bring a fun and sophisticated touch to your home. Configured with 1 or 2 lights. UL and ETL listed.

Shown in aged gold brass / clear
