Droid Pendant By Matteo Lighting

Description

The Droid Pendant creative edge has a youthful and energetic design. Slight curves, on both the shade and down-stem, are detailed throughout the piece. The shade can rotate, allowing the user to direct the light in the direction they prefer. Place the Droid above a dining table, in an entryway, or anyplace where task lighting is needed. Available in 1, 3, or 4 light configurations and finished in either White or Bronze. UL and ETL listed. NOTE: One light no longer available in Bronze.
