## Blink Adjustable Wall Sconce By Matteo Lighting

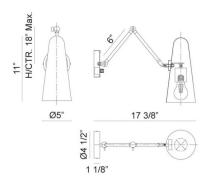

## Description

The Blink Adjustable Wall Sconce is inspired by a retro spotlight but is given a modern update. With an adjustable arm and shade, plus dimming capabilities, the Blink's versatility makes for a perfect light for various applications. Over the bedside table, near a reading nook, or anyplace where task lighting is needed the Blink will perform. Available in Black with Aged Gold Brass or White with Aged Gold Brass. UL and ETL listed.

Shown in aged gold brass / black
