Cosmo Wall Sconce By Matteo Lighting

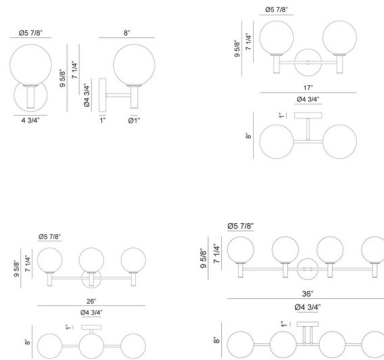

Description

The Cosmo Wall Sconce takes inspiration from the Glam 1980s. Finished in Aged Gold Brass or Black, the Cosmo uses a large Glass Globe shade to cover its bulbs and to give the fixture a sophisticated silhouette. The Glass shade can be finished in Clear or Opal, each diffusing the light in a different manner. Place the Cosmo in residential or commercial areas to highlight areas and heighten the decor. Available in 1, 2, 3, or 4 light configurations. UL and ETL listed.
