## Industrial Outdoor Wall Sconce By Maxim Lighting

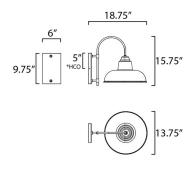

## Description

Specifications

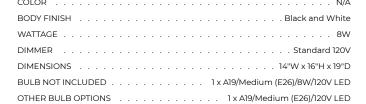

The Industrial Outdoor Wall Sconce's rugged durability is ideal for extreme environments like coastal areas. A powder coated Aluminum frame creates a dramatic look. The bulb is covered by a White poly-carbonate diffuser, casting a soft light. Place the Industrial on the garage, near the front door, or in a plethora of other outdoor applications. Finished in Black or White and Black. Wet location rated. UL listed.

Shown in black and white

\*height from center of outlet to the top of the fixture

1 x A19/Medium (E26)/60W/120V Incandescent
