Cirque Ceiling Fan By Visual Comfort Fan

Description

The Cirque Ceiling Fan features a sleek and modern design with a 15 degree blade pitch designed for optimal air flow and a Precision balanced motor and blades for wobble-free operation. The motor features a triple capacitor and has 6 speeds with a reversible motor and has premium power with 120 X 20 mm torque induction for quiet operation. Includes a 6 inch downrod and 6.5 feet of wire for use with long downrods. Also includes a hand remote to control the direction and speed of the blades as well as the integrated Lightkit. Available with a Midnight Black finish and Midnight Black blades or Matte White finish with Matte White blades. ETL listed, damp locations.
