1953 Floor Lamp By Oluce Srl

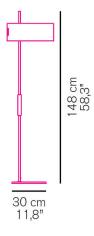

Description

The 1953 Floor Lamp is a tribute to the master of lighting whose names contributed to the history of Oluce, Ostuni and Forti. A reissue of a product from the 1950s but striking in its modernity, the 1953 Floor lamp elegantly recalls the style of those years with a Black cylindrical shade that contrasts with the Satin Gold stem giving this fixture the ability to transcend fashions and eras.

Shown in matte black / satin gold
