Locke Wall Sconce

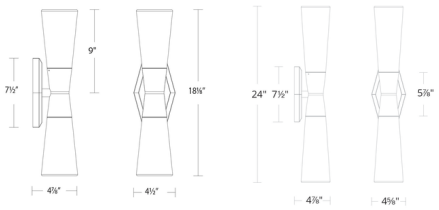

By WAC Lighting

Description

The Locke Wall Sconce's stunning design is rooted in symmetry. From the aluminum body, two arms extend up and down. On the end of the arms rests an Opal Glass shade which beautifully diffuses the integrated LED into a soft glow. Place the Locke in the bedroom, bathroom, or anyplace where layered lighting is needed. Damp location rated. ETL and Title 24 listed.

Shown in brushed nickel / opal
