Meridian Wall Sconce

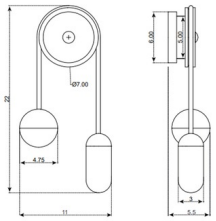

By Kalin Asenov

Description

The Meridian Wall Sconce's design takes inspiration from Chinese Bi disks. In the Chinese tradition, a Bi is associated with heaven and represent the sky. The large Marble disk supports two pendants that drape down in an asymmetrical balance while details of Machined Brass and Hand-blown Glass complete the Meridian's look. Place this powerful sconce in the dining room, kitchen, or anyplace in need of a spiritual statement.
