Galena Wall Sconce

By Kalin Asenov

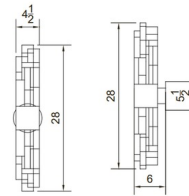

Description

The Galena Wall Sconce blurs the line between nature and manmade formations in an homage to Galena crystals. From certain vantages, the Galena resembles the skyline of a modern city thanks to its stacked Marble beams. Galena finds its home in the bathroom, bedroom, or anyplace where organic sophistication is needed. Available in Ice: white glass, black patina, Carrara marble.

Shown in black patina / ice
