Drape Circle Tier Chandelier By SkLO

Description

The Drape Circle Tier Chandelier is sure to add a dramatic statement thanks to its contemporary design and artisan materials. A series of brass rings cascade down from the Drape's canopy. The rings are threaded with a fabric cord and on the end of every cord is a hand-blown Czech Glass Globe shade. The Clear, Opaque New Blue, Opaque White, Transparent Olivin, and Transparent Smoke globes feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each globe unique. The Textured globes feature a frosted finish and subtle ridged texture. Note: Due to the weight of this fixture, additional ceiling support is required. 120 inch cord length is field adjustable.
