Drape Skirt Chandelier

By SkLO

Description

The Drape Skirt Chandelier is sure to add a dramatic statement thanks to its contemporary design and artisan materials. A collection of brass tubes meet at the center of the Drape and create a visual spectacle. Fabric cords run through the tubes, and on the end of every cord is a hand-blown Czech glass globe shade. The Clear, Opaque New Blue, Opaque White, Transparent Olivin, and Transparent Smoke globes feature the signature SkLO double-dipped, fire-polished mouths which show where the glass is broken from the blower's pipe, making each globe unique. The Textured globes feature a frosted finish and subtle ridged texture. Note: Cord length is field adjustable. Longer lengths available for an additional fee.
