Hold Pin Pendant By SkLO

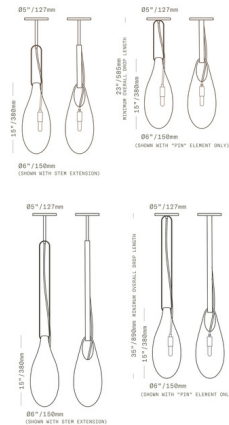

Description

The Hold Pin Pendant features elegant curves and hand-made materials to create a stunning example of contemporary design. A hand-blown Czech glass shade suspends elegantly from a continuously curved brass bar. Small details are created by the Fabric cord that hold the bulb within the Glass diffuser. Note: One 6 inch, two 12 inch, and one 18 inch downrods are included as standard and allow for field adjustability. Custom, non-adjustable overall heights can be specified to order (additional fees may apply).
