## Bau Bathroom Vanity Light

By Visual Comfort Modern

### Description

Inspired by the Bauhaus movement, the Bau Bathroom Vanity Light shows off a clean, modern aesthetic with its two thin rectangular metal plates. Indirect LED lighting is emitted upwards and downwards from between the plates, creating a warm ambient glow. 24 inch light (120V): TRIAC or ELV dimmable. 36 inch light (120-277V): TRIAC, ELV, or 0-10V dimmable. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
