Dessau Picture Light

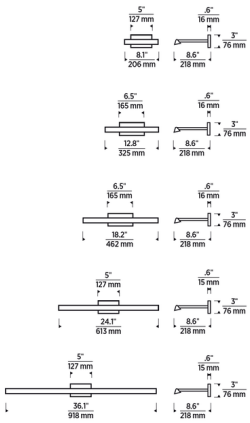

By Visual Comfort Modern

Description

The Dessau Picture Light is a modern version of the traditional fixture, updated with clean straight lines, integrated LEDs, and an acrylic diffuser. Its tailored unobtrusive design blends well with any space, creating a perfect setting for displaying artwork. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass is a living finish that will patina, warming over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. Note: Requires using a 2 x 4 inch single gang junction box or using the included goof plate to completely cover a standard junction box.

Shown in polished nickel
