Hanea Pendant

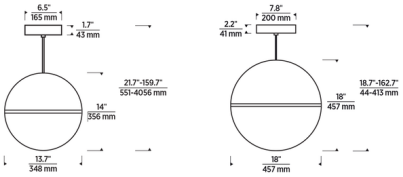

By Visual Comfort Modern

Description

The Hanea Pendant celebrates the popularity of spherical geometry in mid-century design, with an acrylic globe accented by a slim metal band. Whether suspended as a single or clustered in multiples of varying sizes, the Hanea offers a sophisticated update for your space. Dimmable with a TRIAC or ELV dimmer. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish.
