Nyra Chandelier

By Visual Comfort Modern

Description

The Nyra Chandelier draws inspiration from a flower bud, recreating it in modern fashion with a sleek metal stem and petal-like acrylic light guide panels. LEDs light up the panels, bringing the floral design to life and casting ambient illumination throughout your space. Hang this pendant alone or in multiples to emulate a unique bouquet of flowers. A 120-277V universal driver is included, dimmable with a TRIAC, ELV, or 0-10V dimmer. Notes: The 42.2 inch wide chandelier requires a junction box rated for fixtures weighing over 50 pounds. Color temperature 3500K is only available for the 27.4 and 42.2 inch wide fixtures.
