Vex Vertical Outdoor Wall Sconce

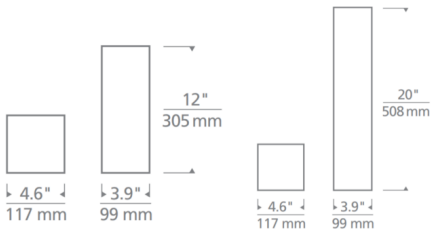

By Visual Comfort Modern

Description

The Vex Vertical Outdoor LED Wall Light, with its unassuming minimalistic profile, features up and down or down lighting and delivers a wide range of optical control and illumination options. Independent, up and down beam angles from 10 degrees to 120 degrees are achieved with simple tool-free adjustment. Beams can be set symmetric or asymmetric (depending on barn door position) in both directions and are lockable. Angle markers ensure consistent and precise aiming and adjustment. Constructed of aluminum with a durable, marine grade powder coat finish available in Black or Bronze. Stainless steel hardware. Includes 27.3 watt LED module (18.9 watts up and down/8.4 watts down). Includes Universal 120-277V input. Integral driver. 5 year warranty. ETL listed. Title 24 compliant. Downlight option Dark Sky compliant. Dimmable with most LED compatible electronic low voltage (ELV), Triac, or 0-10V dimmers, sold separately.
