Concept Smart Fan with Light By Minka Aire

Description

The Concept III and IV Smart Fan with Light is the next generation of the Concept family, taking all the elements of its predecessors including a timeless modern design and implementing an integrated LED light and energy efficient DC motor as well as integrated Smart control technology allowing you to control the fan on you iOS or Android device. Includes three blades at a 14 degree pitch with a 153x15mm motor allowing for optimal airflow. Available in a semi-flush and downrod option complemented by an etched opal glass shade. Downrod option includes a 6 inch downrod. Includes 6 speed remote fan control (RC1000). Optional accessories sold separately. Brushed Nickel finish is wet location rated. Available in: White motor with White blades Oil Rubbed Bronze motor with Oil Rubbed Bronze blades Coal motor with Coal blades Brushed Nickel WET motor with Silver blades
