Ellipse Smart Fan with Light

By Minka Aire

Description

The Ellipse Smart Fan with Light features five contoured ABS blades at a 16 degree pitch that span 60 inches and have elevated tips for added airflow. An LED light with polycarbonate lens fits in seamlessly with the design of the light is paired with an energy efficient 120x20mm DC motor which are essential for reliable performance. As part of the Smart Fan collection by Minka Aire, the Ellipse Smart Fan is easy to integrate into your smart home with the iOS and Android Bond Home App. Available in a Brushed Nickel finish with Silver blades, Brushed Nickel finish with Coal Blades, or a Brushed Nickel finish with White blades. Includes an RC1000 handheld remote and 6 inch downrod. Compatible with WC1000 wall control, sold separately.

Shown in brushed nickel / silver / white
