Molino Outdoor Smart Ceiling Fan with Light

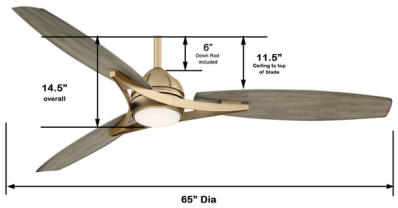

By Minka Aire

Description

The Molino Outdoor Smart Ceiling Fan with Light brings wood-patterned blades together with a sleek triangular frame, a unique combination of classic and modern. Its energy-efficient DC motor and integrated LED light deliver fresh airflow and illumination to create a comfortable environment in your indoor or outdoor space. A hand-held remote control with wall holder (RC1000) is included, enabling motor on/off, 6 speeds, forward and reverse, and light on/off with full range dimming. The Molino can also be controlled through your smartphone or other device using the Bond Home app, and can respond to voice commands when integrated with smart home systems including Amazon Echo/Alexa, Google Home, Nest and ecobee. Optional accessories are sold separately.
