Truro Semi Flush Ceiling Light By Artcraft

Description

The Truro Semi Flush Ceiling Light puts a contemporary spin on the modern Sputnik design. A collection of Black arms branch out from the Brushed Nickel central downrod in various directions. On the end of each of those arms is an Edison bulb that pays homage to lighting's past. Place the Truro in over the dining table or in the kitchen to make a sophisticated statement. CSA listed.

Shown in brushed nickel / satin black
