Element 4IN RD Flanged Wall Wash Trim

By Visual Comfort Architectural

Description

The 4 Inch Round Flanged Wall Wash Trim is a specification grade LED fixture combining high performance with an architectural ceiling appearance. Made of die cast aluminum with minimal thickness available in White, Antique Bronze, Black or Satin Nickel finish. White finish can be field painted to match adjacent finish. Available in 2700K, 3000K, 3500K, and Warm Dim (3000K-1800K) color temperature options. Trims are angled and include Luminit turning film with light shaping film to create consistent horizontal and vertical illumination. Accepts two optical controls and an optional trim-mounted lens. ETL listed. See housing for dimming options. A complete fixture includes a housing and trim, sold separately.
