IC In & Out Floor Lamp By FLOS

Description

Extend the sophisticated aesthetic of Michael Anastassiades' iconic IC series to your outdoor spaces with the Flos IC In & Out Floor Lamp. This meticulously engineered outdoor version maintains the signature elegance of the original, featuring a beautifully blown glass opal diffuser perfectly balanced on a slender frame. It's built to withstand the elements, treated with an exterior-rated epoxy-polyester powder coat finish for exceptional durability and UV resistance, making it IP65 rated for reliable outdoor performance. The IC In & Out Floor Lamp is available in an exquisite array of finishes, each paired with a distinct, luxurious stone base: a sleek Black finish with a Black Lava marble base, a rich Red Burgundy with a Black Lava base, a deep Deep Brown finish with a Travertino Imperiale base, an elegant Brushed Brass finish with a Grey Lava stone base, and a refined Stainless Steel finish with an Occhio di Pernice stone base. Available in two sizes, this lamp includes a dimmer on the 16-foot black power cord for easy control of light intensity (on/off, 30-100% dimmable). It's the ultimate statement piece for patios, gardens, or expansive outdoor living areas, seamlessly blending sculptural art with functional, weather-resistant illumination.

Specifications
