Artiste Smart Ceiling Fan with Light

By Hinkley Lighting

Description

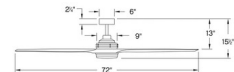

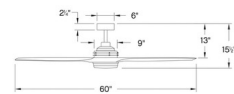

The Artiste Smart Fan with Light features a clean and simple design with three blades at a 14 degree pitch complemented by a 188 X 20mm DC motor allowing for optimal airflow. Available in 60 and 72 inch options with a Brushed Nickel motor and Silver blades, Graphite motor with Driftwood blades, Matte White motor with Matte White Blades, or Metallic Matte Bronze motor with Walnut blades. Includes 6 inch downrod. A HIRO wireless control is included. It incorporates WiFi and RF technology and can be used to control 6 speeds, forward and reverse, motor on/off, and light on/off with warm dimming (dims from 3000K to warmer). The control can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Another control option is to use the Hinkley app on your smartphone. The app offers the basic functions and additional features including timers and breeze mode, and enables linking with smart home tech such as Google, Amazon Alexa, and Siri.
