Hover Outdoor Smart Ceiling Fan with Light

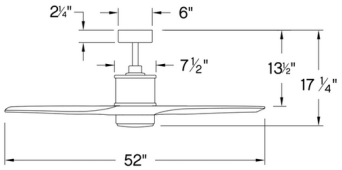

By Hinkley Lighting

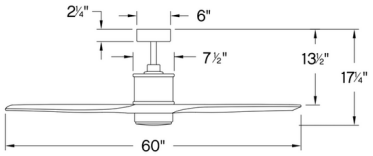

Description

Give your space a chic update with the Hover Outdoor Smart Ceiling Fan with Light. Its clean, versatile aesthetic works well in any indoor or outdoor setting, and its DC motor and integrated warm-dim LED light achieve energy efficiency while refreshing and illuminating the area. A HIRO wireless control is included. It incorporates WiFi and RF technology and can be used to control 6 speeds, forward and reverse, motor on/off, and light on/off with warm dimming (dims from 3000K to warmer). The control can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Another control option is to use the Hinkley app on your smartphone. The app offers the basic functions and additional features including timers and breeze mode, and enables linking with smart home tech such as Google, Amazon Alexa, and Siri. With its smart, convenient design, the Hover fits seamlessly into your modern lifestyle. Optional accessories are sold separately.
