DESCRIPTION

The Vantage Smart Ceiling Fan has a modern industrial design with gently curved blades set at a 12.5 degree pitch and a powerful DC motor providing for ample amounts of airflow. The fan includes a HIRO wireless control which incorporates WiFi and RF technology. It enables 6 speeds, forward and reverse, motor on/off, and light on/off with warm dimming (dims from 3000K to warmer). The control can be wall-mounted or hand-held. A face plate and cradles are included, and the remote fits in standard decorative style face plates. A manual on/off switch is also included. Another convenient control option is to use the Hinkley app on your smartphone. In addition to the basic functions, the app offers features such as timers and breeze mode, and enables linking with smart home tech including Google, Amazon Alexa, and Siri. Includes a 6 inch downrod and a light cover. Available with a Matte Black Motor with Matte Black blades, Brushed Nickel motor with Silver blades, Graphite motor with Driftwood blades, Matte White motor with Matte White blades or a Metallic Matte Bronze motor with Metallic Matte Bronze blades.
