Taj Mini Table Lamp

By Kartell

Description

Taj Mini Table Lamp is more than a lamp, it is a three dimensional sign, a luminous sculpture, a presence as much at home on your desk as on another piece of furniture. Although it is a table lamp, Taj abandons the articulated, jointed and mechanical stereotype for a simple form serving the practical function for which it is intended. Beautiful both either on or off, Taj uses LED technology to optimize and minimize the light source as much as possible.
