Molly Ceiling Fan

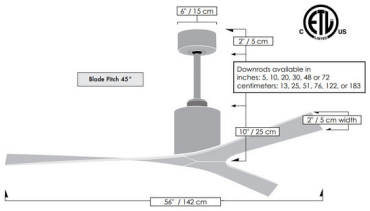

By Matthews Fan Company

Description

Designed by Chicago architect Stephen Katz in 2018, the Molly ceiling fan combines modern organic geometry with outstanding performance and function. The blade shape was developed using advanced computer software which allowed the design to achieve complex forms. The result is a clean, natural and contemporary look perfect for any room or decor. Molly will compliment a variety of design styles while also providing a fresh and unique modern statement. Includes a Black 6-speed RF remote control with reverse function as well as a White wireless Decora-style, 6-speed, wall control. ETL listed, damp locations. Not compatible with Costal, Saltwater, or Chlorine environments.
