NH Pendant

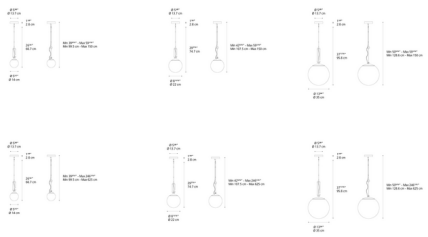

By Artemide

Description

The NH Pendant by Artemide, from the acclaimed designers Neri&Hu, offers a profound exploration into the captivating dialogue between its refined details, exquisite materials, distinctive form, and emitted light. This versatile pendant is designed to adapt and harmonize with a variety of contemporary settings, offering both beauty and function.At its core is a pristine White Glass globe that delicately softens the light, producing a warm, diffused glow that creates a welcoming ambiance. This luminous sphere is elegantly suspended and attached by a distinctive Brass hook to a sleek Black Metal frame. This thoughtful combination of materials creates a compelling visual contrast and a refined aesthetic. The NH Pendant is available in three sizes, allowing for individual placement or compelling multi-fixture arrangements, providing tailored illumination for diverse spaces. Crafted with precision in Italy, this sleek and sophisticated fixture seamlessly integrates into any Contemporary interior, promising enduring style and superior quality.
