Alabastro Table Lamp

By Currey and Company

Description

The Alabastro Table Lamp's obelisk shape makes a sophisticated statement to your decor. Stacked alabaster is carved into the shape and gives the Alabastro its smooth and refined stone finish. Topped with a Natural Linen shade, the Alabastro is perfect for a variety of interiors. On/off switch located on the lamp's socket. UL listed. NOTE: LED bulb is included only when shipping to California.
