Rime Pendant

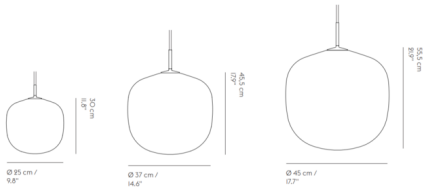

By Muuto

Description

The Rime Pendant brings an elegant perspective through its semi-transparent glass that has been sandblasted for a refined expression. The hand-blown Glass shade is inspired by the shape of acorns, while the rest the Rime's design is complemented by its powder-coated top, pendant tube and cord in a matching finish for a subtle touch. Place the Rime over the dining table or in the entryway to heighten a contemporary interior. Finished in Black or White. Available in three sizes. Canopy diameter: 4.7 inches. UL listed.
