Olo Adjustable Wall Sconce By Seed Design

Description

The Olo Wall Sconce uses the basic shapes of circles and lines to create a versatile, modern fixture. The round backplate and curving stem support a hollow shade with an integrated glare-free LED. The shade can be rotated 290 degrees, while the arm features a 130 degree range of motion, allowing light to be directed where it is needed most. Includes a built in touch dimmer on the backplate.
