Sircle Wall Sconce

By Seed Design

Description

The Sircle Wall Sconce is inspired by the East aesthetic philosophy with a merged square and circle. The circular aspect conceals an integrated LED light and works harmoniously with the rigid frame surrounding it. The light can be positioned inside or outside of the square. Available with a Champagne Gold or Matte Black finish. Includes an on/off switch on the backplate of the fixture. ETL listed, title 20 compliant.
