Sol Table Lamp By Seed Design

Description

The SOL Table Lamp has a low-key design with elaborate consideration. The ring like shade is finely affixed to a metallic luster balance bar, demonstrating the definition of understated luxury. The adjustable ring tilt allows the pendant to function almost like a planet floating around stars. The invisible LED strip makes the light source impeccable, with a gradual dimming capability, rendering it possible for you to re-create your own personal sunrise and sunset. Available in Matte Black with Shiny Copper with a black textile cord. ETL listed.
