

DESIGNER Omer Arbel
BRAND Bocci

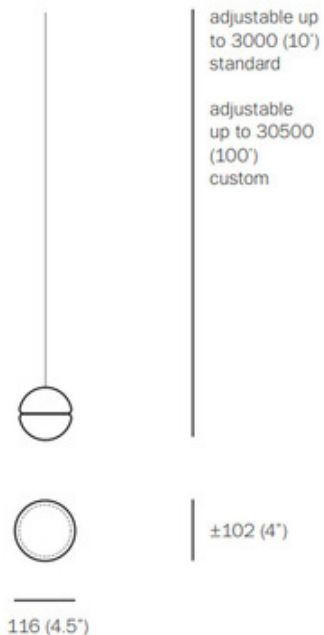

DESCRIPTION

14 is an articulated, cast glass sphere with a frosted cylindrical void that houses a low-voltage lamp. Individual pendants are visually subtle, but gain an atmospheric quality when multiplied and clustered in groups. Available with 1.5W LED or 10W Xenon lamping. Choice of standard or mini canopy with a Brushed Nickel or powder-coated White finish. The mini canopy is just over 1.2 inches in diameter, which creates a subtle profile that will essentially disappear into the application surface. The mini canopy option must be remote mounted (fixture does not hook directly to a junction box) while the standard canopy option is designed to fit over an existing junction box in which the transformer is installed. UL and CE listed.

Shown in: Brushed Nickel / Clear

SHADE COLOR	Clear
BODY FINISH	Brushed Nickel
WATTAGE	10W
DIMMER	Low Voltage Electronic
DIMENSIONS	4"W x 4"H
LAMP	1 x JC/G4 (bipin)/10W/12V Krypton Xenon
