

DESIGNER Omer Arbel
BRAND Bocci

DESCRIPTION

Series 28 is an exploration of specificity in manufacturing. Instead of designing form itself, the intent was to design a system of making that yields form. Individual 28 forms result from a complex glass-blowing technique whereby air pressure is intermittently introduced into and then removed from a glass matrix which is intermittently heated and then rapidly cooled. The result is a distorted spherical shape with a composed collection of imploded inner shapes, one of which acts as a shade for the light source. Available with 1.5W LED or 20W Xenon lamping. Choice of three, five, or seven pendants on a round Brushed Nickel or powder-coated White canopy. Each pendant includes 10 feet of adjustable coaxial cable. Bocci recommends mounting power supplies remotely in an easily accessible and hidden location for ease of long-term maintenance as well as providing a robust 5/8 inch plywood backing in the ceiling for secure installation.

SHADE COLOR	Clear
BODY FINISH	Brushed Nickel
WATTAGE	60W
DIMMER	Low Voltage Electronic
DIMENSIONS	6"W x 6.5"H
BULB INCLUDED	
LAMP	3 x Bocci JC/G4 (bipin)/20W/12V Krypton Xenon
Technical Information	
PRODUCT DIMENSIONS	Included Adjustable Cables: 120"L
SPEC #	BCC953768

COMPANY	PROJECT	FIXTURE TYPE	APPROVED BY	DATE
