

DESIGNER

Omer Arbel

BRAND

Bocci

DESCRIPTION

Series 28 is an exploration of specificity in manufacturing. Instead of designing form itself, the intent was to design a system of making that yields form. Individual 28 forms result from a complex glass-blowing technique whereby air pressure is intermittently introduced into and then removed from a glass matrix which is intermittently heated and then rapidly cooled. The result is a distorted spherical shape with a composed collection of imploded inner shapes, one of which acts as a shade for the light source. Available with 1.5W LED or 20W Xenon lamping. Upon ordering, the length of the shortest and longest pendants must be provided. Bocci will create a random selection of lengths throughout the minimum and maximum range provided - see pictured measurement guide. Made in North America. Bocci recommends mounting power supplies remotely in an easily accessible and hidden location for ease of long-term maintenance as well as providing a robust 5/8 inch plywood backing in the ceiling for secure installation. Cables are not adjustable on site.

Shown in: White / Clear

SHADE COLOR	Clear
BODY FINISH	White
WATTAGE	220W
DIMMER	Low Voltage Electronic
DIMENSIONS	20"W x 6.5"H
LAMP	11 x JC/G4 (bipin)/20W/12V Krypton Xenon

ITEM NUMBER BCC953798
