

DESIGNER

Omer Arbel

BRAND

Bocci

DESCRIPTION

Series 73 results from blowing liquid glass into a folded and highly heat-resistant ceramic fabric vessel. The resulting shape has a formal and textural expression intuitively associated with fabric, which becomes permanent and rigid as it cools. Due to the hand-crafted nature of the 73 series, the size as well as color depth and tonality will vary. Available with 1.5W LED or 10W Xenon lamping. Choice of Clear or three different shades of Grey glass with a powder-coated White canopy. Upon ordering, the length of the shortest and longest pendants must be provided. Bocci will create a random selection of lengths throughout the minimum and maximum range provided - see pictured measurement guide. Made in North America. Bocci recommends mounting power supplies remotely in an easily accessible and hidden location for ease of long-term maintenance as well as providing a robust 5/8 inch plywood backing in the ceiling for secure installation. Cables are not adjustable on site.

SHADE COLOR	Clear
BODY FINISH	White
WATTAGE	200W
DIMMER	Low Voltage Electronic
DIMENSIONS	29.7"W x 13"H
BULB INCLUDED	
LAMP	20 x Bocci JC/G4 (bipin)/10W/12V Krypton Xenon

SPEC #

BCC953952

53 (2')
up to 3000 (10') standard
up to 30500 (100') custom
