## Flowerpot VP7 Pendant

By &Tradition

### Description

The Flowerpot VP7 Pendant celebrates vintage style while expressing modern simplicity. Hemispheres crafted out of deep drawn metal are arranged into a chic rounded profile. With its wide selection of finishes, the Flowerpot can blend inconspicuously into your decor or add a bright pop of accent color. Use one or two pendants to illuminate a dining space or kitchen counter, or cluster several to create an eye-catching statement in a living room or lobby. This pendant is available with or without a UL listing. Cord color varies depending on the finish and whether or not the item is UL listed. To see cord color, select the desired finish and option (non-UL or UL), then see the cord information under Product Details.
